- 275g flour
- 1 egg
- 1 lemon

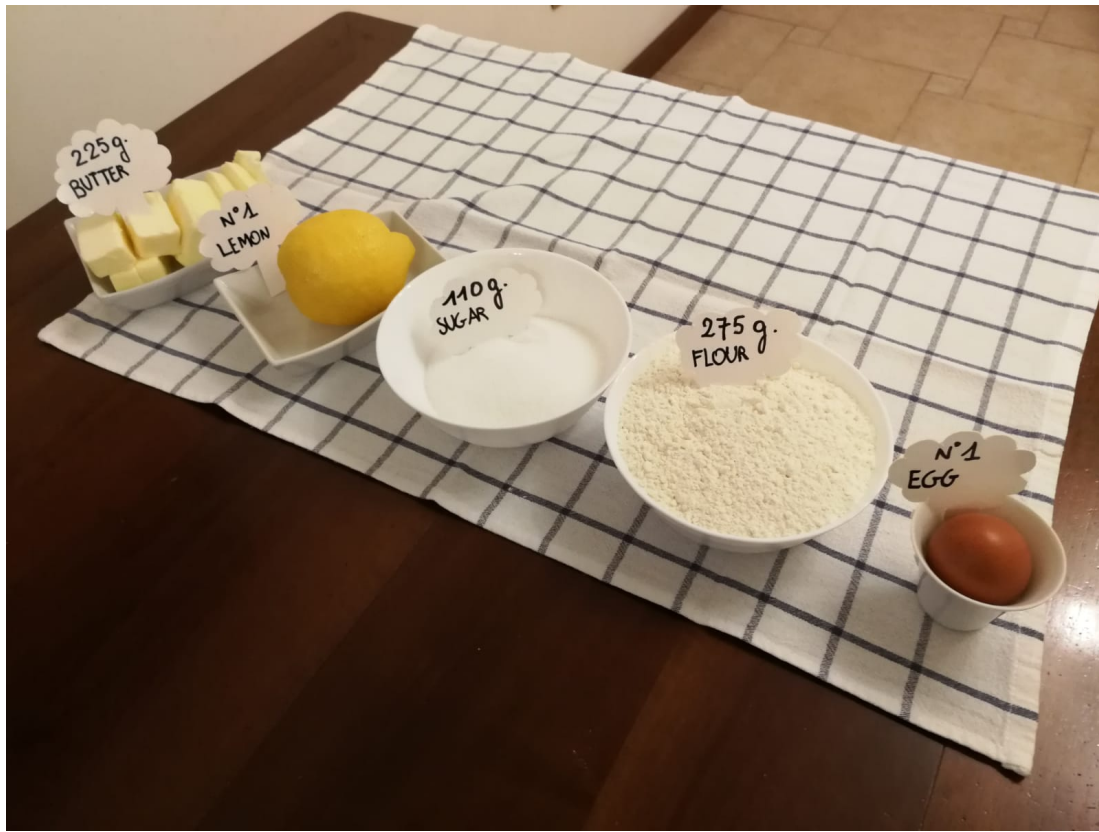

Preparation time

- 15 minutes

Cooking time

- 10 minutes

First I prepared the ingredients to make the recipe then I put all the ingredients in a bowl

I added grated lemon peel

Then I mixed all the ingredients
with the mixer

After that, I formed a smooth and compact ball, then I smoothed it with a rolling pin;

I made some stars shortcrust pastry with a stencil

I placed the biscuits on a baking sheet, and baked them at 180° C for 10 minutes

This is the final result: what a goodness!
